Celia the Florist Day 1

Designed by [@BroadStreetCraftroom](https://www.instagram.com/BroadStreetCraftroom)

Celia's used to coming up smelling of roses – she's a florist by day, putting a smile on her customers' faces as she helps them celebrate their special occasions. She loves arranging beautiful, seasonal displays for the shop window and spring can only mean one thing: it's tulip time! After work, Celia's dashing off to her craft club (which is really just an excuse for chatting the night away with her creative pals). Tonight, she's showing off her new granny square pom pom bag and finishing off the amigurumi pretzel she started last week.

Stuff the arms so the hands are full, gradually decreasing in volume until you get to the shoulders. Attach to each side of the body around row 29, weave in ends once secured

Hair

Try to keep the tension a bit looser for this part.

Using black yarn make a magic ring

R1: 5dc into the ring (5)

R2: 2dc into each st (10)

R3: (1dc, 2dc in next st) 5 times (15)

R4: (2dc, 2dc in next st) 5 times (20)

R6-R8: 1dc in each st (24)

R9: 1dc in the first 14 sts, ch 4, 2htr in 2nd ch from the hook and then 2htr in the next 2 chs, ss into the 15th st, chain 4 again, 2htr in 2nd ch from hook and then 2htr in the next 2 chs, ss into the 16th st, 1dc in the last 8 sts

R10: 1dc in the first 10 sts, fasten off keeping a 30cm tail and leaving the remaining 14 sts untouched (this creates slightly more hair at the nape of her neck)

To assemble, place hair on the head, this should fit quite snugly and only needs a couple of sts to keep in place. Try not to do too many as this sometimes distorts the shape of the head.

Bun

Using black yarn make a magic ring

R1: 6dc into the ring (6)

R2: 2dc into each st (12)

R3: (2dc, 2dc in next st) 4 times (16)

R4-R5: 1dc in each st (16)

R6: (2dc, dc2tog) 4 times (12)

Fasten off leaving a 30cm tail

Stuff the bun and sew it onto the top of the hair, stitch onto the head making sure it's fully secured.
