Chain 30, cut your yarn and thread both ends of your chain through the middle of your bauble cap and secure the ends. Lightly stuff the bauble cap and sew onto the top of your bauble

Adding writing

Using White

Using a tapestry needle and yarn, begin by bringing your yarn through from the back of the bauble to the place you would like to start the writing. *Insert the needle down into the place you came up and bring the needle out stitch length away and pull the yarn through, leaving a loop at the front of the bauble. Pass the needle through the loop you left to create your first chain.

Repeat from * to create your writing
