### Tapestry crochet flowers

Preparation -

Each flower is worked separately. As such, prepare six 5m (approx. 3 gram) yarn balls of YF (Teal) and six 6m (approx. 3 gram) yarn balls of YH (Light Blue). Place pegs or clips around them to prevent them tangling as you work. YA is carried within sts as sts are worked over the top.

Each individual YF and YH yarn ball should be released to the WS of the work when the last st has been made for that flower in each row.

Colour changes are made with the last yrh of the prev st.

**Rows 33-54 of the pattern are worked by following the Tapestry Crochet Flower Chart as follows:**

#### Row 33 (RS):

With YA, 1ch, 6htr in YA, work Row 1 of chart; 6 times, 6htr in YA, turn.
