Pattern Notes

The pattern uses UK crochet terms. All sts are worked on the right side, so do not turn. The 5ch at the start of the round counts as the 1st tr and 2 ch. The square is worked in tapestry style, working over the strands. To change colour seamlessly, if you are working with A, complete the last loop of your last st before the change, with B. Continue with B as directed in the pattern and chart, carrying the strand of A by working over it. When it's time to change again, complete the last loop of the last st with A, then repeat the process.

Using 5mm hook and yarn A, make a magic circle or chain 5 and join to a ring.
