Make small balls of each stripe colour – do not carry colour across behind work. Drop the colour end at the back of work and pick up again when working back across that row.
CH1 at the start of each row. CH1 does not count as a ST throughout pattern

Colour Changes – change colour in the ST before you start the new colour. Insert hook and YO (2 loops on hook). YO in the new colour. Drop the previous colour to the wrong side ready to pick up again as needed. Always keep tail ends on the WRONG side of your work.
