Method

Using Yarn B

Round 1

dc around your blanket making sure the top and bottom have the same amount of sts (must be an even number) and each side has the same amount (must also be an even number). Don't be afraid to add or skip a st when needed, as you don't have specific stitches to crochet into along the sides of the blanket just place your sts as evenly as you can. Create your four corners by using 2dc, ch3, 2dc. Fasten off yarn B

Round 2

Using yarn C, join your yarn in the top of any dc from round 1. Ch3, tr in each st, 2tr, ch3, 2tr in each corner

Round 3

Starting at any point along one of the sides attach yarn A to the top of a tr and ch4. Remove your hook and attach yarn B in the next tr, ch4. Remove your hook.

Step one: pick up yarn A, dc in next st, ch4, remove hook

Step two: pick up yarn B, dc in next st, ch4, remove hook

Rep these steps around your whole blanket, placing 4 sts in each ch3 corner space.

With yarn A sl st to attach your last ch4 into the st you originally joined your yarn, rep for yarn B. Fasten in all loose ends
