PATTERN NOTES

This square is worked using the Spike Stitch method. Ensure when you are working with your contrast colour your spike st rows are always worked on the RS (Right Side) of your work.

Make sure to check your tension. If you find your row tension is normally more than it should be check your square towards the end and do not work the last few rows to keep the work square.

MEASUREMENTS

Your finished square should measure approximately 20cm x 20cm. Please drop down a hook size if you find your square is larger than this.

ABBREVIATIONS

Ch – Chain

Dc – Double Crochet

Sl St – Slip Stitch

RS - Right Side

WS – Wrong side
