Special Stitches

Rdtr – Raised double treble; Yarn around hook twice, insert hook into front loop as described in pattern (in this pattern it is always the front loop three rows below), yarn around hook and pull through the stitch, you will have 4 loops on your hook. Yarn around hook and pull through the first two loops, you will have 3 loops left on your hook. Yarn around hook and pull through the next two loops, you will have two loops left on your hook. Yarn around hook and pull through the final two loops. Skip 1 dc (this is the stitch you would have worked into if you had not of worked into the front loop below).

Pattern Notes

This pattern is worked almost entirely in double crochet worked in Back loops only (BLO). For the purposes of this pattern all double crochet stitches should be worked into BLO unless told otherwise. This is especially important as all of the Rdtr sts will be worked into the front loops that are left on the surface of the work.

Do not turn at the end of each round.

Turning chains count towards the stitch count throughout but ch sts do not.

Pattern

In Yarn A, make magic circle.
