

Granny Square month 2021 CAL

Day 25

I am Carley, a colour obsessed crochet addict from York. I have a long suffering husband, twelve year old daughter, a dog and two naughty rabbits. It is my mission to fill our lives with colour. Our daughter is now rebelling and has recently decided to paint her bedroom black!

My hobbies include all things yarn, Cricut making, drinking red wine and reading. I collect yarn quicker than I can crochet and I am not sorry! I have a stash that may be sufficient to last for life but still is never enough. I started crocheting after my friend had been to Yarndale and rather optimistically came back with an Attic24 blanket kit. I took a long time to get started but the therapeutic motion of the ripple stitch soon had me hooked!

I now have a small business making several products including pin badges, notebooks, stickers and keyrings. We design the items as a family and it has been a real lockdown adventure. The eight year old me absolutely loves getting orders and packaging them.

My favourite yarny make is still a blanket and I love combining colours and seeing how it transforms the look. I can most often be found on Instagram [@unicornpuffsandrainbows](https://www.instagram.com/unicornpuffsandrainbows)
