Rnd 2: Ch1, 2dc into the base of the ch, 2dc in each st around, ss into the first dc to join. FO and sew in ends. (**12 dc**)

How to put together

If required, block your square and applique patterns. Once dry and blocked into shape, using the **pale blue** yarn and a darning needle, sew the rainbow applique into place, stitching through the granny square and into the back of the htr st, all around the rainbow. Stitch the clouds along the base of the rainbow, placing the middle cloud circle overlapping the other two on either side.
