Fasten off leaving a long tail of yarn for sewing on.

Using black make each eye by sewing three vertical stitches next to each other. Using CC3 make a single small straight stitch at the top of each eye. Use the pictures as a reference.

Sew the alien into the spaceship using the yarn tail.

Using CC2 sew a straight stitch for each antenna finishing with a French knot at the top.

Spaceship

Photo - Sequins

Using CC3 surface crochet the dome over your alien. Using sewing thread, sew the sequins onto the pink area in between rows 4 and 5.

Stars

Using CC3 sew a cross with a straight line over the top to represent stars. I made 4, 1 in each corner.
