**Special Abbreviations**

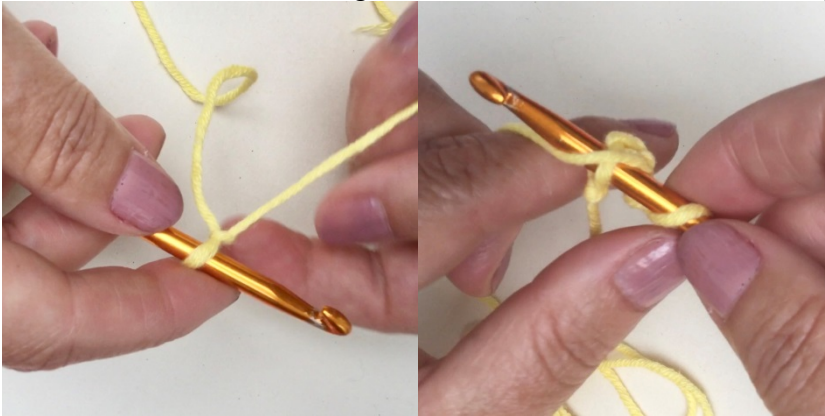

**Double crochet loop stitch (dc/loop) – (see step by step guide at end of pattern)**

Put the hook through the next stitch and wrap the yarn around your index finger from front to back so the working yarn is at the back of your finger. With the hook grab the yarn and

pull it down and to the right. Cross the yarn under the loop over the finger and start to pull downwards keeping the length of the loop consistent for each stitch. Take the loop with its twist through the stitch. You now have two loops on the hook, wrap the yarn around the hook again so you have three loops keeping the loop stitch anchored on the finger. Pull through the first two loops on the hook with the working yarn still pulling the loop stitch detail tightly at the back. You are ready to make your next stitch.

## Step by Step – Loop Stitch

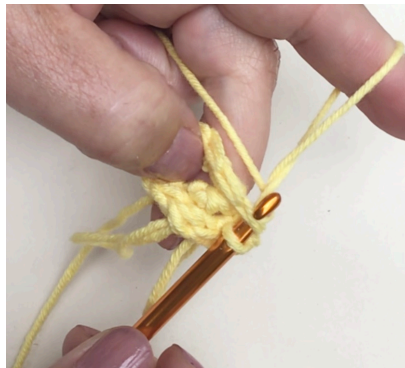

Put the hook through the next stitch and wrap the yarn around your index finger from front to back so the working yarn is at the back of your finger.

With the hook grab the yarn and pull it down and to the right.

Cross the yarn under the loop over the finger and start to pull downwards keeping the length of the loop consistent for each stitch.

Take the loop with it's twist through the stitch.

You now have two loops on the hook, wrap the yarn around the hook again so you have three loops keeping the loop stitch anchored on the finger

Pull through the first two loops on the hook with the working yarn still pulling the loop stitch detail tightly at the back. You are ready to make your next stitch.....
